**AEM Scooter Shopper**

This is a scooter accessory that no one can afford to be without. The scooter shopper will allow you to get that shopping still being able to use your mobility scooter. The scooter shopper has a black metal frame which is fully lockable and can be flat packed for easy storage. The shopping trolley has a folding handle and a removable bag which is strong, durable and features a keep cool liner. It is also supplied with a free scooter attachment which enables the shopping trolley to be mounted to virtually to all scooters in a matter of minutes

The scooter shopper retails at €99 which is great value for the solution it provides. No more taxis or buses or waiting for lifts, you no longer have to struggle with those awkward shopping bags. Simply attach the scooter shopper to your mobility scooter and away you go. If you purchase a mobility scooter from Advance Electrical Mobility you will get a free scooter shopper trolley. Call us today to arrange a free assessment and demonstration for any of our products.

The AEM Aluminium suitcase ramps are available in 3ft, 4ft and 5ft. They are lightweight and easily foldable and portable.
