

"YOUR MOBILITY MADE EASY!"

"OT NEWS YOU CAN USE" ...

New Year, New Start, New Product Launch

The liteway range of mobility scooters has expanded with several new editions to the already superb range. We are proud to introduce the Liteway 6 and 8, both of these models come with indicators and a headlight and have an increased range. The liteway 6 will travel 14 miles and has a top speed of 6mph, while the liteway 8 has a range of 24 miles and a top speed of 8mph. The advantage of the liteway range of scooters is that you have the reliability and comfort as well as the range and speed of a larger scooter while still being able to take the scooter apart within 2 minutes for transport by car.

LITEWAY SPECIAL OFFER

Purchase a Liteway mobility scooter and get a free super light manual wheelchair that comes with its own storage bag. Ideal for the boot of the car for those trips to the shopping centre.
