PrivateOT.ie is Ireland's only online directory catering for the Healthcare Profession and the Public, providing up-to-date information on service providers, Healthcare Professionals and Suppliers of medical equipment.

PrivateOT.ie is a desktop tool developed to quickly and intuitively find the services and products you are searching for.

PrivateOT.ie is a one-stop-shop providing a host of facilities for Allied Healthcare Professionals, Service Providers and Suppliers of Medical Equipment.

www.privateOT.ie

Continually updated listings.

Extensive daily updates to ensure that you get the information you need when you need it.

Comprehensive Catalogue of Healthcare Professionals; Service Providers & Medical Equipment Suppliers - This one stop shop allows you to browse through an enormous database of essential contacts.

Let the paper trail stop here !

Printed catalogues are fast becoming a thing of the past, and in many cases obsolete once printed. Now you can find what you want within a couple of clicks.

See the entire product ranges held by Irelands most well known healthcare providers. Browse through products from TeleCare to trikes.

Accessibility enhanced website with Google Custom search engine and AltaVista's latest translation software.

PrivateOT.ie brings you the most informed collection of relevant healthcare information in the Country.

Compare and contrast over 70 different wheelchairs available on the Irish market.

Browse through this extensive range brought to you by the 8 major manufacturers worldwide.

Feedback Forum

Have your queries answered and your views shared...

OT Talk

Giving OT practitioners and students a platform from which they can share information on any topic any day of the week.

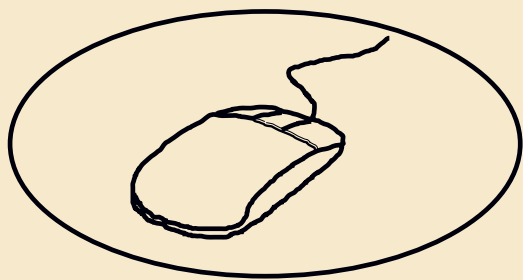

Upcoming Events

Share your events with our ever-increasing community. Such events range from conferences to educational seminars to open days.
